Pine View has recently received information that USF has reached an agreement with Sarasota County Schools to offer dual-enrollment courses on high school campuses. Students who are interested in registering for the dual enrollment courses available on the Pine View campus should review the eligibility and prerequisite requirements below.

Student Eligibility and Pre-requisites **per USF**:

- Recalculated 3.5 GPA, as calculated by USF, in core courses (English, SS, math, science, foreign language)
- 560 on SAT Critical Reading and 530 on Math
  - OR
  - 21 on ACT English, Reading, and Math
  - OR
  - PERT scores: 123 Math, 106 Reading, and 103 Writing

*the PERT test will be administered to interested students at Pine View School in April

- Students interested in the math classes listed below must earn a 4 or 5 on the AP BC Calculus exam.

Students who meet these requirements may return this form if they wish to take a dual-enrollment course on Pine View’s campus.

_____ ENC 1101/ENC1102 Written Communication 1 and 2

*Colleges may require students to have English through senior year

_____ MAC2313/ MAP2302 Calculus III and Differential Equations

Dual enrollment courses are real college courses for real college credit. *The grades will go on a student’s high school and college transcript.* Before enrolling, please make sure that you are ready for the demanding work a college class will require. A poor grade in a DE class may negatively impact a student’s college acceptance. Many classes require that the student pass the final exam in order to pass the class.

Students earning a W or less than a “C” in a DE class will be ineligible to participate the following semester in the DE program, per USF policy.

All USF courses and grades will appear on the high school and USF transcripts. Grades at both schools will be factored into the cumulative GPA which is used to determine eligibility for Bright Futures and future college admissions.
